**SUBCHAPTER A—HAZARDOUS MATERIALS AND OIL TRANSPORTATION**

**PART 105—HAZARDOUS MATERIALS PROGRAM DEFINITIONS AND GENERAL PROCEDURES**

Sec.	Page
<b>Subpart A—Definitions</b>	
105.5 Definitions. ....	1
<b>Subpart B—General Procedures</b>	
105.15 Defined terms used in this subpart. ....	2
OBTAINING GUIDANCE AND PUBLIC INFORMATION	
105.20 Guidance and interpretations. ....	2
105.25 Reviewing public documents. ....	3
105.26 Obtaining records on file with PHMSA. ....	3
105.30 Information made available to the public and request for confidential treatment. ...	3
SERVING DOCUMENTS	
105.35 Serving documents in PHMSA proceedings. ....	4
105.40 Designated agents for non-residents. ....	4
SUBPOENAS	
105.45 Issuing a subpoena. ....	4
105.50 Serving a subpoena. ....	5
105.55 Refusal to obey a subpoena. ....	5

**PART 106—RULEMAKING PROCEDURES**

<b>Subpart A—PHMSA Rulemaking Documents</b>	
106.5 Defined terms used in this subpart. ....	1
106.10 Process for issuing rules. ....	1
106.15 Advance notice of proposed rulemaking. ....	1
106.20 Notice of proposed rulemaking. ....	1
106.25 Revising regulations without first issuing an ANPRM or NPRM. ....	2
106.30 Final rule. ....	2
106.35 Interim final rule. ....	2
106.40 Direct final rule. ....	2
106.45 Tracking rulemaking actions. ....	2
<b>Subpart B—Participating in the Rulemaking Process</b>	
106.50 Defined terms used in this subpart. ....	3
106.55 Public participation in the rulemaking process. ....	3
WRITTEN COMMENTS	
106.60 Filing comments. ....	3
106.65 Required information for written comments. ....	3
106.70 Where and when to file comments. ....	3
106.75 Extension of time to file comments. ....	3
PUBLIC MEETINGS AND OTHER PROCEEDINGS	
106.80 Public meeting procedures. ....	4
106.85 Requesting a public meeting. ....	4
106.90 Other rulemaking proceedings. ....	4

**PART 106—RULEMAKING PROCEDURES (cont.)**

<b>Sec.</b>		<b>Page</b>
PETITIONS FOR RULEMAKING		
106.95	Requesting a change to the regulations. ....	4
106.100	Required information for a petition for rulemaking. ....	4
106.105	PHMSA response to a petition for rulemaking. ....	5
APPEALS		
106.110	Appealing a PHMSA action. ....	5
106.115	Required information for an appeal. ....	5
106.120	Appeal deadline. ....	5
106.125	Filing an appeal. ....	5
106.130	PHMSA response to an appeal. ....	5

**PART 107—HAZARDOUS MATERIALS PROGRAM PROCEDURES**

**Subpart A—Definitions**

107.1	Definitions. ....	2
-------	-------------------	---

**Subpart B—Special Permits**

107.101	Purpose and scope. ....	3
107.105	Application for special permit. ....	3
107.107	Application for party status. ....	4
107.109	Application for renewal. ....	5
107.111	Withdrawal. ....	5
107.113	Application processing and evaluation. ....	5
107.117	Emergency processing. ....	6
107.121	Modification, suspension or termination of special permit or grant of party status. . .	7
107.123	Reconsideration. ....	8
107.125	Appeal. ....	8
107.127	Availability of documents for public inspection. ....	8

**Subpart C—Preemption**

107.201	Purpose and scope. ....	8
107.202	Standards for determining preemption. ....	8

PREEMPTION DETERMINATIONS

107.203	Application. ....	9
107.205	Notice. ....	10
107.207	Processing. ....	10
107.209	Determination. ....	10
107.211	Petition for reconsideration. ....	10
107.213	Judicial review. ....	11

WAIVER OF PREEMPTION DETERMINATIONS

107.215	Application. ....	11
107.217	Notice. ....	11
107.219	Processing. ....	12
107.221	Determination. ....	12
107.223	Petition for reconsideration. ....	13
107.227	Judicial review. ....	13

**PART 107—HAZARDOUS MATERIALS PROGRAM PROCEDURES (cont.)**

Sec.	Page
<b>Subpart D—Enforcement</b>	
107.301	Delegated authority for enforcement. . . . . 13
107.303	Purpose and scope. . . . . 13
107.305	Investigations. . . . . 13
COMPLIANCE ORDERS AND CIVIL PENALTIES	
107.307	General. . . . . 14
107.309	Warning letters. . . . . 14
107.310	Ticketing. . . . . 14
107.311	Notice of probable violation. . . . . 15
107.313	Reply. . . . . 15
107.315	Admission of violations. . . . . 15
107.317	Informal response. . . . . 15
107.319	Request for a hearing. . . . . 16
107.321	Hearing. . . . . 16
107.323	ALJ’s decision. . . . . 16
107.325	Appeals. . . . . 17
107.327	Compromise and settlement. . . . . 17
107.329	Maximum penalties. . . . . 18
107.331	Assessment considerations. . . . . 18
CRIMINAL PENALTIES	
107.333	Criminal penalties generally. . . . . 18
107.335	Referral for prosecution. . . . . 18
107.336	Limitation on fines and penalties. . . . . 18
INJUNCTIVE ACTION	
107.337	Injunctions generally. . . . . 18
107.339	Imminent hazards. . . . . 19
Appendix A to Subpart D of Part 107—Guidelines for Civil Penalties . . . . . 19	
<b>Subpart E—Designation of Approval and Certification Agencies</b>	
107.401	Purpose and scope. . . . . 28
107.402	Application for designation as an approval or certification agency. . . . . 28
107.403	Designation of approval agencies. . . . . 29
107.404	Conditions of designation. . . . . 29
107.405	Termination of designation. . . . . 29
<b>Subpart F—Registration of Cargo Tank and Cargo Tank Motor Vehicle Manufacturers, Assemblers, Repairers, Inspectors, Testers, and Design Certifying Engineers</b>	
107.501	Scope. . . . . 30
107.502	General registration requirements. . . . . 30
107.503	Registration statement. . . . . 30
107.504	Period of registration, updates, and record retention. . . . . 31
<b>Subpart G—Registration of Persons Who Offer or Transport Hazardous Materials</b>	
107.601	Applicability. . . . . 31
107.606	Exceptions. . . . . 32
107.608	General registration requirements. . . . . 32
107.612	Amount of fee. . . . . 32
107.616	Payment procedures. . . . . 33
107.620	Recordkeeping requirements. . . . . 33

**PART 107—HAZARDOUS MATERIALS PROGRAM PROCEDURES (cont.)**

Sec.		Page
<b>Subpart H—Approvals, Registrations and Submissions</b>		
107.701	Purpose and scope. . . . .	34
107.705	Registrations, reports, and applications for approval. . . . .	34
107.709	Processing of an application for approval, including an application for renewal or modification. . . . .	35
107.711	Withdrawal. . . . .	35
107.713	Approval modification, suspension or termination. . . . .	35
107.715	Reconsideration. . . . .	36
107.717	Appeal. . . . .	36
<b>Subpart I—Approval of Independent Inspection Agencies, Cylinder Requalifiers, and Non-domestic Chemical Analyses and Tests of DOT Specification Cylinders</b>		
107.801	Purpose and scope. . . . .	36
107.803	Approval of an independent inspection agency (IIA). . . . .	36
107.805	Approval of cylinder and pressure receptacle requalifiers. . . . .	37
107.807	Approval of non-domestic chemical analyses and tests. . . . .	38
107.809	Conditions of UN pressure receptacle approvals. . . . .	38

**PART 110—HAZARDOUS MATERIALS PUBLIC SECTOR TRAINING AND PLANNING GRANTS**

110.1	Purpose. . . . .	1
110.5	Scope. . . . .	1
110.7	Control Number under the Paperwork Reduction Act. . . . .	1
110.10	Eligibility. . . . .	1
110.20	Definitions. . . . .	1
110.30	Grant application. . . . .	2
110.40	Activities eligible for funding. . . . .	4
110.50	Disbursement of Federal funds. . . . .	4
110.60	Cost sharing for planning and training. . . . .	4
110.70	Financial administration. . . . .	5
110.80	Procurement. . . . .	5
110.90	Grant monitoring, reports, and records retention. . . . .	5
110.100	Enforcement. . . . .	6
110.110	After-grant requirements. . . . .	6
110.120	Deviation from this part. . . . .	6
110.130	Disputes. . . . .	6

**SUBCHAPTER B—OIL TRANSPORTATION**

**PART 130—OIL SPILL PREVENTION AND RESPONSE PLANS**

130.1	Purpose. . . . .	1
130.2	Scope. . . . .	1
130.3	General requirements. . . . .	1
130.5	Definitions. . . . .	1
130.11	Communication requirements. . . . .	2
130.21	Packaging requirements. . . . .	2
130.31	Response plans. . . . .	2
130.33	Response plan implementation. . . . .	3

**SUBCHAPTER C—HAZARDOUS MATERIALS REGULATIONS**

**PART 171—GENERAL INFORMATION, REGULATIONS, AND DEFINITIONS**

Sec.	Page
<b>Subpart A—Applicability, General Requirements, and North American Shipments</b>	
171.1	Applicability of Hazardous Materials Regulations (HMR) to persons and functions. . . . . 1
171.2	General requirements. . . . . 4
171.3	Hazardous waste. . . . . 6
171.4	Marine pollutants. . . . . 6
171.6	Control numbers under the Paperwork Reduction Act. . . . . 6
171.7	Reference material. . . . . 8
171.8	Definitions and abbreviations. . . . . 16
171.9	Rules of construction. . . . . 27
171.10	Units of measure. . . . . 28
171.11	[Reserved] . . . . . 28
171.12	North American Shipments . . . . . 28
171.12a	[Reserved] . . . . . 30
171.14	Transitional provisions for implementing certain requirements. . . . . 30
<b>Subpart B—Incident Reporting, Notification, BOE Approvals and Authorization</b>	
171.15	Immediate notice of certain hazardous materials incidents. . . . . 31
171.16	Detailed hazardous materials incident reports. . . . . 32
171.17–171.18	[Reserved] . . . . . 33
171.19	Approvals or authorizations issued by the Bureau of Explosives. . . . . 33
171.20	Submission of Examination Reports. . . . . 33
171.21	Assistance in investigations and special studies. . . . . 33
<b>Subpart C—Authorization and Requirements for the Use of International Transport Standards and Regulations</b>	
171.22	Authorization and conditions for the use of international standards and regulations. . . . . 33
171.23	Requirements for specific materials and packagings transported under the ICAO Technical Instructions, IMDG Code, Transport Canada TDG Regulations, or the IAEA Regulations. . . . . 34
171.24	Additional requirements for the use of the ICAO Technical Instructions. . . . . 37
171.25	Additional requirements for the use of the IMDG Code. . . . . 38
171.26	Additional requirements for the use of the IAEA Regulations. . . . . 39
Attachment 1—Hazardous Materials Incident Report . . . . . 41	

**PART 172—HAZARDOUS MATERIALS TABLE, SPECIAL PROVISIONS, HAZARDOUS MATERIALS COMMUNICATIONS, EMERGENCY RESPONSE INFORMATION, TRAINING REQUIREMENTS, AND SECURITY PLANS**

<b>Subpart A—General</b>	
172.1	Purpose and scope. . . . . 2
172.3	Applicability. . . . . 2
<b>Subpart B—Table of Hazardous Materials and Special Provisions</b>	
172.101	Purpose and use of hazardous materials table. . . . . 2
Appendix A to § 172.101—List of hazardous substances and reportable quantities . . . . . 148	
Appendix B to § 172.101—List of marine pollutants . . . . . 180	
172.102	Special provisions. . . . . 185

---

**PART 172—HAZARDOUS MATERIALS TABLE, SPECIAL PROVISIONS, HAZARDOUS MATERIALS COMMUNICATIONS, EMERGENCY RESPONSE INFORMATION, TRAINING REQUIREMENTS, AND SECURITY PLANS (cont.)**

Sec.		Page
<b>Subpart C—Shipping Papers</b>		
172.200	Applicability. . . . .	204
172.201	Preparation and retention of shipping papers. . . . .	204
172.202	Description of hazardous material on shipping papers. . . . .	205
172.203	Additional description requirements. . . . .	206
172.204	Shipper’s certification. . . . .	209
172.205	Hazardous waste manifest. . . . .	210
<b>Subpart D—Marking</b>		
172.300	Applicability. . . . .	211
172.301	General marking requirements for non-bulk packagings. . . . .	211
172.302	General marking requirements for bulk packagings. . . . .	212
172.303	Prohibited marking. . . . .	212
172.304	Marking requirements. . . . .	213
172.306	[Reserved] . . . . .	213
172.308	Authorized abbreviations. . . . .	213
172.310	Class 7 (radioactive) materials. . . . .	213
172.312	Liquid hazardous materials in non-bulk packagings. . . . .	213
172.313	Poisonous hazardous materials. . . . .	214
172.315	Packages containing limited quantities. . . . .	214
172.316	Packagings containing materials classed as ORM-D. . . . .	214
172.317	KEEP AWAY FROM HEAT handling mark . . . . .	215
172.320	Explosive hazardous materials. . . . .	215
172.322	Marine pollutants. . . . .	215
172.323	Infectious substances. . . . .	216
172.324	Hazardous substances in non-bulk packagings. . . . .	217
172.325	Elevated temperature materials. . . . .	217
172.326	Portable tanks. . . . .	217
172.328	Cargo tanks. . . . .	218
172.330	Tank cars and multi-unit tank car tanks. . . . .	218
172.331	Bulk packagings other than portable tanks, cargo tanks, tank cars and multi-unit tank car tanks. . . . .	219
172.332	Identification number markings. . . . .	219
172.334	Identification numbers; prohibited display. . . . .	220
172.336	Identification numbers; special provisions. . . . .	220
172.338	Replacement of identification numbers. . . . .	221
<b>Subpart E—Labeling</b>		
172.400	General labeling requirements. . . . .	221
172.400a	Exceptions from labeling. . . . .	222
172.401	Prohibited labeling. . . . .	223
172.402	Additional labeling requirements. . . . .	223
172.403	Class 7 (radioactive) material. . . . .	224
172.404	Labels for mixed and consolidated packaging. . . . .	225
172.405	Authorized label modifications. . . . .	225
172.406	Placement of labels. . . . .	225

**PART 172—HAZARDOUS MATERIALS TABLE, SPECIAL PROVISIONS, HAZARDOUS MATERIALS COMMUNICATIONS, EMERGENCY RESPONSE INFORMATION, TRAINING REQUIREMENTS, AND SECURITY PLANS (cont.)**

<b>Sec.</b>		<b>Page</b>
172.407	Label specifications. . . . .	226
172.411	EXPLOSIVE 1.1, 1.2, 1.3, 1.4, 1.5 and 1.6 labels, and EXPLOSIVE Subsidiary label. . . . .	227
172.415	NON-FLAMMABLE GAS label. . . . .	228
172.416	POISON GAS label. . . . .	228
172.417	FLAMMABLE GAS label. . . . .	228
172.419	FLAMMABLE LIQUID label. . . . .	228
172.420	FLAMMABLE SOLID label. . . . .	229
172.422	SPONTANEOUSLY COMBUSTIBLE label. . . . .	229
172.423	DANGEROUS WHEN WET label. . . . .	229
172.426	OXIDIZER label. . . . .	229
172.427	ORGANIC PEROXIDE label. . . . .	230
172.429	POISON INHALATION HAZARD label. . . . .	230
172.430	POISON label. . . . .	230
172.431	[Reserved] . . . . .	230
172.432	INFECTIOUS SUBSTANCE label. . . . .	230
172.436	RADIOACTIVE WHITE-I label. . . . .	230
172.438	RADIOACTIVE YELLOW-II label. . . . .	231
172.440	RADIOACTIVE YELLOW-III label. . . . .	231
172.441	FISSILE label. . . . .	231
172.442	CORROSIVE label. . . . .	231
172.444	[Reserved] . . . . .	232
172.446	CLASS 9 label. . . . .	232
172.448	CARGO AIRCRAFT ONLY label. . . . .	232
172.450	EMPTY label. . . . .	232
 <b>Subpart F—Placarding</b>		
172.500	Applicability of placarding requirements. . . . .	232
172.502	Prohibited and permissive placarding. . . . .	233
172.503	Identification number display on placards. . . . .	233
172.504	General placarding requirements. . . . .	233
172.505	Placarding for subsidiary hazards. . . . .	235
172.506	Providing and affixing placards: Highway. . . . .	235
172.507	Special placarding provisions: Highway. . . . .	236
172.508	Placarding and affixing placarding: Rail. . . . .	236
172.510	Special placarding provisions: Rail. . . . .	236
172.512	Freight containers and aircraft unit load devices. . . . .	236
172.514	Bulk packagings. . . . .	237
172.516	Visibility and display of placards. . . . .	237
172.519	General specifications for placards. . . . .	237
172.521	DANGEROUS placard. . . . .	238
172.522	EXPLOSIVES 1.1, EXPLOSIVES 1.2 and EXPLOSIVES 1.3 placards. . . . .	239
172.523	EXPLOSIVES 1.4 placard. . . . .	239
172.524	EXPLOSIVES 1.5 placard. . . . .	239
172.525	EXPLOSIVES 1.6 placard. . . . .	239
172.526	[Reserved] . . . . .	239

---

**PART 172—HAZARDOUS MATERIALS TABLE, SPECIAL PROVISIONS, HAZARDOUS MATERIALS COMMUNICATIONS, EMERGENCY RESPONSE INFORMATION, TRAINING REQUIREMENTS, AND SECURITY PLANS (cont.)**

---

<b>Sec.</b>		<b>Page</b>
172.527	Background requirements for certain placards. . . . .	239
172.528	NON-FLAMMABLE GAS placard. . . . .	240
172.530	OXYGEN placard. . . . .	240
172.532	FLAMMABLE GAS placard. . . . .	240
172.536	[Reserved] . . . . .	240
172.540	POISON GAS placard. . . . .	240
172.542	FLAMMABLE placard. . . . .	241
172.544	COMBUSTIBLE placard. . . . .	241
172.546	FLAMMABLE SOLID placard. . . . .	241
172.547	SPONTANEOUSLY COMBUSTIBLE placard. . . . .	242
172.548	DANGEROUS WHEN WET placard. . . . .	242
172.550	OXIDIZER placard. . . . .	242
172.552	ORGANIC PEROXIDE placard. . . . .	242
172.553	[Reserved] . . . . .	242
172.554	POISON placard. . . . .	242
172.555	POISON INHALATION HAZARD placard. . . . .	243
172.556	RADIOACTIVE placard. . . . .	243
172.558	CORROSIVE placard. . . . .	243
172.560	CLASS 9 placard. . . . .	244
 <b>Subpart G—Emergency Response Information</b>		
172.600	Applicability and general requirements. . . . .	244
172.602	Emergency response information. . . . .	244
172.604	Emergency response telephone number. . . . .	245
172.606	Carrier information contact. . . . .	245
 <b>Subpart H—Training</b>		
172.700	Purpose and scope. . . . .	246
172.701	Federal-State relationship. . . . .	246
172.702	Applicability and responsibility for training and testing. . . . .	246
172.704	Training requirements. . . . .	246
 <b>Subpart I—Safety and Security Plans</b>		
172.800	Purpose and applicability. . . . .	247
172.802	Components of a security plan. . . . .	248
172.804	Relationship to other Federal requirements. . . . .	248
172.820	Additional planning requirements for transportation by rail . . . . .	248
172.822	Limitation on actions by states, local governments, and Indian tribes . . . . .	250
Appendix A to Part 172—Office of Hazardous Materials Transportation Color Tolerance Charts and Tables . . . . .		251
Appendix B to Part 172—Trefoil Symbol . . . . .		255
Appendix C to Part 172—Dimensional Specifications for Recommended Placard Holder . . . . .		257
Appendix D to Part 172—Rail Risk Analysis Factors . . . . .		259

**PART 173—SHIPPERS—GENERAL REQUIREMENTS FOR SHIPMENTS AND PACKAGINGS**

Sec.		Page
<b>Subpart A—General</b>		
173.1	Purpose and scope. . . . .	4
173.2	Hazardous materials classes and index to hazard class definitions. . . . .	5
173.2a	Classification of a material having more than one hazard. . . . .	5
173.3	Packaging and exceptions. . . . .	6
173.4	Small quantities for highway and rail . . . . .	8
173.4a	Excepted quantities . . . . .	9
173.4b	De minimis exceptions . . . . .	11
173.5	Agricultural operations. . . . .	11
173.5a	Oilfield service vehicles and mechanical displacement meter provers. . . . .	12
173.6	Materials of trade exceptions. . . . .	13
173.7	Government operations and materials. . . . .	14
173.8	Exceptions for non-specification packagings used in intrastate transportation. . . . .	15
173.9	Transport vehicles or freight containers containing lading which has been fumigated. . . . .	15
173.10	Tank car shipments. . . . .	16
173.12	Exceptions for shipment of waste materials. . . . .	17
173.13	Exceptions for Class 3, Divisions 4.1, 4.2, 4.3, 5.1, 6.1, and Classes 8 and 9 materials. . . . .	18
<b>Subpart B—Preparation of Hazardous Materials for Transportation</b>		
173.21	Forbidden materials and packages. . . . .	19
173.22	Shipper’s responsibility. . . . .	21
173.22a	Use of packagings authorized under special permits. . . . .	22
173.23	Previously authorized packaging. . . . .	22
173.24	General requirements for packagings and packages. . . . .	22
173.24a	Additional general requirements for non-bulk packagings and packages. . . . .	24
173.24b	Additional general requirements for bulk packagings. . . . .	25
173.25	Authorized packagings and overpacks. . . . .	26
173.26	Quantity limitations. . . . .	27
173.27	General requirements for transportation by aircraft. . . . .	27
173.28	Reuse, reconditioning and remanufacture of packagings. . . . .	29
173.29	Empty packagings. . . . .	31
173.30	Loading and unloading of transport vehicles. . . . .	31
173.31	Use of tank cars. . . . .	32
173.32	Requirements for the use of portable tanks. . . . .	35
173.33	Hazardous materials in cargo tank motor vehicles. . . . .	39
173.34	[Reserved] . . . . .	40
173.35	Hazardous materials in intermediate bulk containers (IBCs). . . . .	40
173.40	General packaging requirements for toxic materials packaged in cylinders. . . . .	42
<b>Subpart C—Definitions, Classification and Packaging for Class 1</b>		
173.50	Class 1—Definitions. . . . .	43
173.51	Authorization to offer and transport explosives. . . . .	43
173.52	Classification codes and compatibility groups of explosives. . . . .	43
173.53	Provisions for using old classifications of explosives. . . . .	44
173.54	Forbidden explosives. . . . .	45
173.55	[Reserved] . . . . .	45

---

**PART 173—SHIPPERS—GENERAL REQUIREMENTS FOR SHIPMENTS AND PACKAGINGS (cont.)**

---

<b>Sec.</b>		<b>Page</b>
173.56	New explosives—Definition and procedures for classification and approval. . . . .	45
173.57	Acceptance criteria for new explosives. . . . .	47
173.58	Assignment of class and division for new explosives. . . . .	48
173.59	Description of terms for explosives. . . . .	48
173.60	General packaging requirements for explosives. . . . .	53
173.61	Mixed packaging requirements. . . . .	54
173.62	Specific packaging requirements for explosives. . . . .	55
173.63	Packaging exceptions. . . . .	72

**Subpart D—Definitions, Classification, Packing Group Assignments and Exceptions for Hazardous Material Other Than Class 1 and Class 7**

173.115	Class 2, Divisions 2.1, 2.2, and 2.3—Definitions. . . . .	72
173.116	Class 2—Assignment of hazard zone. . . . .	74
173.117–173.119	[Reserved] . . . . .	74
173.120	Class 3—Definitions. . . . .	74
173.121	Class 3—Assignment of packing group. . . . .	75
173.124	Class 4, Divisions 4.1, 4.2 and 4.3—Definitions. . . . .	75
173.125	Class 4—Assignment of packing group. . . . .	77
173.127	Class 5, Division 5.1—Definition and assignment of packing groups. . . . .	78
173.128	Class 5, Division 5.2—Definitions and types. . . . .	78
173.129	Class 5, Division 5.2—Assignment of packing group. . . . .	79
173.132	Class 6, Division 6.1—Definitions. . . . .	79
173.133	Assignment of packing group and hazard zones for Division 6.1 materials. . . . .	81
173.134	Class 6, Division 6.2—Definitions and exceptions. . . . .	83
173.136	Class 8—Definitions. . . . .	86
173.137	Class 8—Assignment of packing group. . . . .	86
173.140	Class 9—Definitions. . . . .	86
173.141	Class 9—Assignment of packing group. . . . .	86
173.144	Other Regulated Materials (ORM)—Definitions. . . . .	86
173.145	Other Regulated Materials—Assignment of packing group. . . . .	87
173.150	Exceptions for Class 3 (flammable and combustible liquids.) . . . . .	87
173.151	Exceptions for Class 4. . . . .	88
173.152	Exceptions for Division 5.1 (oxidizers) and Division 5.2 (organic peroxides). . . . .	88
173.153	Exceptions for Division 6.1 (poisonous materials). . . . .	89
173.154	Exceptions for Class 8 (corrosive materials). . . . .	90
173.155	Exceptions for Class 9 (miscellaneous hazardous materials). . . . .	90
173.156	Exceptions for ORM materials. . . . .	91

**Subpart E—Non-bulk Packaging for Hazardous Materials Other Than Class 1 and Class 7**

173.158	Nitric acid. . . . .	91
173.159	Batteries, wet. . . . .	93
173.159a	Exceptions for non-spillable batteries . . . . .	95
173.160	Bombs, smoke, non-explosive (corrosive). . . . .	95
173.161	Chemical kits and first aid kits. . . . .	95
173.162	Gallium. . . . .	96
173.163	Hydrogen fluoride. . . . .	96
173.164	Mercury (metallic and articles containing mercury). . . . .	96
173.166	Air bag inflators, air bag modules and seat-belt pretensioners. . . . .	97

<b>Sec.</b>		<b>Page</b>
173.227	Materials poisonous by inhalation, Division 6.1, Packing Group I, Hazard Zone B. . .	140
173.228	Bromine pentafluoride or bromine trifluoride. . . . .	141
173.229	Chloric acid solution or chlorine dioxide hydrate, frozen. . . . .	141
173.230	Fuel cell cartridges containing hazardous material . . . . .	141
<b>Subpart F—Bulk Packaging for Hazardous Materials Other Than Class 1 and Class 7</b>		
173.240	Bulk packaging for certain low hazard solid materials. . . . .	143
173.241	Bulk packagings for certain low hazard liquid and solid materials. . . . .	144
173.242	Bulk packagings for certain medium hazard liquids and solids, including solids with dual hazards. . . . .	144
173.243	Bulk packaging for certain high hazard liquids and dual hazard materials which pose a moderate hazard. . . . .	145
173.244	Bulk packaging for certain pyrophoric liquids (Division 4.2), dangerous when wet (Division 4.3) materials, and poisonous liquids with inhalation hazards (Division 6.1). . . . .	146
173.245	Bulk packaging for extremely hazardous materials such as poisonous gases (Division 2.3). . . . .	147
173.247	Bulk packaging for certain elevated temperature materials. . . . .	147
173.249	Bromine. . . . .	149
<b>Subpart G—Gases; Preparation and Packaging</b>		
173.300	[Reserved] . . . . .	150
173.301	General requirements for shipment of compressed gases and other hazardous materials in cylinders, UN pressure receptacles and spherical pressure vessels. . . . .	150
173.301a	Additional general requirements for shipment of specification cylinders. . . . .	153
173.301b	Additional general requirements for shipment of UN pressure receptacles . . . . .	153
173.302	Filling of cylinders with nonliquefied (permanent) compressed gases. . . . .	154
173.302a	Additional requirements for shipment nonliquefied (permanent) compressed gases in specification cylinders. . . . .	156
173.302b	Additional requirements for shipment of non-liquefied (permanent) compressed gases in UN pressure receptacles . . . . .	157
173.303	Charging of cylinders with compressed gas in solution (acetylene). . . . .	157
173.304	Filling of cylinders with liquefied compressed gases. . . . .	158
173.304a	Additional requirements for shipment of liquefied compressed gases in specification cylinders. . . . .	159
173.304b	Additional requirements for shipment of liquefied compressed gases in UN pressure receptacles. . . . .	163
173.305	Charging of cylinders with a mixture of compressed gas and other material. . . . .	164
173.306	Limited quantities of compressed gases. . . . .	164
173.307	Exceptions for compressed gases. . . . .	168
173.308	Lighters . . . . .	168
173.309	Fire extinguishers. . . . .	171
173.312	Requirements for shipment of MEGCs . . . . .	171
173.313	UN Portable Tank Table for Liquefied Compressed Gases. . . . .	172
173.314	Compressed gases in tank cars and multi-unit tank cars. . . . .	176
173.315	Compressed gases in cargo tanks and portable tanks. . . . .	180
173.316	Cryogenic liquids in cylinders. . . . .	189
173.318	Cryogenic liquids in cargo tanks. . . . .	190

<b>Sec.</b>		<b>Page</b>
173.453	Fissile materials—exceptions. . . . .	231
173.457	Transportation of fissile material packages—specific requirements. . . . .	231
173.459	Mixing of fissile material packages with non-fissile or fissile-excepted material packages. . . . .	232
173.461	Demonstration of compliance with tests. . . . .	232
173.462	Preparation of specimens for testing. . . . .	232
173.465	Type A packaging tests. . . . .	232
173.466	Additional tests for Type A packagings designed for liquids and gases. . . . .	233
173.467	Tests for demonstrating the ability of Type B and fissile materials packagings to withstand accident conditions in transportation. . . . .	233
173.468	Test for LSA-III material. . . . .	233
173.469	Tests for special form Class 7 (radioactive) materials. . . . .	233
173.471	Requirements for U.S. Nuclear Regulatory Commission approved packages. . . . .	235
173.472	Requirements for exporting DOT Specification Type B and fissile packages. . . . .	235
173.473	Requirements for foreign-made packages. . . . .	236
173.474	Quality control for construction of packaging. . . . .	237
173.475	Quality control requirements prior to each shipment of Class 7 (radioactive) materials. . . . .	237
173.476	Approval of special form Class 7 (radioactive) materials. . . . .	237
173.477	Approval of packagings containing greater than 0.1 kg of non-fissile or fissile-excepted uranium hexafluoride. . . . .	238
<b>Subparts J-O—[Reserved]</b>		
	Appendix A to Part 173—[Reserved] . . . . .	239
	Appendix B to Part 173—Procedure for Testing Chemical Compatibility and Rate of Permeation in Plastic Packaging and Receptacles . . . . .	241
	Appendix C to Part 173—Procedure for Base-level Vibration Testing . . . . .	243
	Appendix D to Part 173—Test Methods for Dynamite (Explosive, Blasting, Type A) . . . . .	245
	Appendices E-G to Part 173—[Reserved] . . . . .	247
	Appendix H to Part 173—Method of Testing for Sustained Combustibility . . . . .	249

**PART 174—CARRIAGE BY RAIL**

---

**Subpart A—General Requirements**

174.1	Purpose and scope. . . . .	2
174.2	Limitation on actions by states, local governments, and Indian tribes . . . . .	2
174.3	Unacceptable hazardous materials shipments. . . . .	2
174.5	Carrier's materials and supplies. . . . .	2
174.9	Safety and security inspection and acceptance. . . . .	2
174.14	Movements to be expedited. . . . .	2
174.16	Removal and disposition of hazardous materials at destination. . . . .	3
174.20	Local or carrier restrictions. . . . .	3

**Subpart B—General Operating Requirements**

174.24	Shipping papers. . . . .	3
174.26	Notice to train crews. . . . .	3
174.50	Nonconforming or leaking packages. . . . .	4

**Subpart C—General Handling and Loading Requirements**

174.55	General requirements. . . . .	4
174.57	Cleaning cars. . . . .	4
174.59	Marking and placarding of rail cars. . . . .	4

**PART 174—CARRIAGE BY RAIL (cont.)**

<b>Sec.</b>		<b>Page</b>
174.61	Transport vehicles and freight containers on flat cars. . . . .	4
174.63	Portable tanks, IM portable tanks, IBCs, cargo tanks, and multi-unit tank car tanks. . . . .	4
174.67	Tank car unloading. . . . .	5
174.81	Segregation of hazardous materials. . . . .	7
<b>Subpart D—Handling of Placarded Rail Cars, Transport Vehicles and Freight Containers</b>		
174.82	General requirements for the handling of placarded rail cars, transport vehicles, freight containers, and bulk packages. . . . .	10
174.83	Switching placarded rail cars, transport vehicles, freight containers, and bulk packagings. . . . .	10
174.84	Position in train of loaded placarded rail cars, transport vehicles, freight containers or bulk packagings when accompanied by guards or technical escorts. . . . .	10
174.85	Position in train of placarded cars, transport vehicles, freight containers, and bulk packagings. . . . .	11
174.86	Maximum allowable operating speed. . . . .	11
<b>Subpart E—Class I (Explosive) Materials</b>		
174.101	Loading Class 1 (explosive) materials. . . . .	12
174.102	Forbidden mixed loading and storage. . . . .	13
174.103	Disposition of damaged or astray shipments. . . . .	13
174.104	Division 1.1 or 1.2 (explosive) materials; car selection, preparation, inspection, and certification. . . . .	14
174.105	Routing shipments, Division 1.1 or 1.2 (explosive) materials. . . . .	15
174.106	“Order-Notify” or “C.O.D.” shipments, Division 1.1 or 1.2 (explosive) materials. . . . .	15
174.110	Car magazine. . . . .	16
174.112	Loading Division 1.3 and Division 1.2 (explosive) materials (Also see § 174.101). . . . .	16
174.114	Record to be made of change of seals on “Cars loaded with Division 1.1 or 1.2 (explosive) materials”. . . . .	16
174.115	Loading Division 1.4 (explosive) materials. . . . .	16
<b>Subpart F—Detailed Requirements for Class 2 (Gases) Materials</b>		
174.200	Special handling requirements. . . . .	17
174.201	Class 2 (gases) material cylinders. . . . .	17
174.204	Tank car delivery of gases, including cryogenic liquids. . . . .	17
174.290	Materials extremely poisonous by inhalation shipped by, for, or to the Department of Defense. . . . .	17
<b>Subpart G—Detailed Requirements for Class 3 (Flammable Liquid) Materials</b>		
174.300	Special handling requirements. . . . .	18
174.304	Class 3 (flammable liquid) materials in tank cars. . . . .	19
<b>Subparts H-I [Reserved]</b>		
<b>Subpart J—Detailed Requirements for Division 6.1 (Poisonous) Materials</b>		
174.600	Special handling requirements for materials extremely poisonous by inhalation. . . . .	19
174.615	Cleaning cars. . . . .	19
174.680	Division 6.1 (poisonous) materials with foodstuffs. . . . .	19
<b>Subpart K—Detailed Requirements for Class 7 (Radioactive) Materials</b>		
174.700	Special handling requirements for Class 7 (radioactive) materials. . . . .	19
174.715	Cleanliness of transport vehicles after use. . . . .	20
174.750	Incidents involving leakage. . . . .	20

**PART 175—CARRIAGE BY AIRCRAFT**

Sec.		Page
<b>Subpart A—General Information and Regulations</b>		
175.1	Purpose scope and applicability. . . . .	1
175.3	Unacceptable hazardous materials shipments. . . . .	1
175.8	Exceptions for operator equipment and items of replacement . . . . .	2
175.9	Exceptions for special aircraft operations. . . . .	2
175.10	Exceptions for passengers, crewmembers, and air operators . . . . .	3
175.20	Compliance and training . . . . .	5
175.25	Notification at air passenger facilities of hazardous materials restrictions. . . . .	5
175.26	Notification at cargo facilities of hazardous materials requirements. . . . .	6
175.30	Inspecting shipments . . . . .	6
175.31	Reports of discrepancies . . . . .	7
175.33	Shipping paper and notification of pilot-in-command. . . . .	7
<b>Subpart B—Loading, Unloading and Handling</b>		
175.75	Quantity limitations and cargo location . . . . .	8
175.78	Stowage compatibility of cargo. . . . .	10
175.88	Inspection, orientation and securing of packages of hazardous materials . . . . .	10
175.90	Damaged shipments . . . . .	11
<b>Subpart C—Specific Regulations Applicable According to Classification of Material</b>		
175.310	Transportation of flammable liquid fuel; aircraft only means of transportation . . . . .	11
175.501	Special requirements for oxidizers and compressed oxygen . . . . .	13
175.630	Special Requirements for Division 6.1 (poisonous) material and Division 6.2 (infectious substances) materials. . . . .	13
175.700	Special limitations and requirements for Class 7 materials. . . . .	14
175.701	Separation distance requirements for packages containing Class 7 (radioactive) materials in passenger-carrying aircraft. . . . .	14
175.702	Separation distance requirements for packages containing Class 7 (radioactive) materials in cargo aircraft . . . . .	15
175.703	Other special requirements for the acceptance and carriage of packages containing Class 7 materials. . . . .	15
175.704	Plutonium shipments. . . . .	16
175.705	Radioactive contamination . . . . .	16
175.706	Separation distances for undeveloped film from packages containing Class 7 (radioactive) materials. . . . .	16
175.900	Handling requirements for carbon dioxide, solid (dry ice) . . . . .	16

**PART 176—CARRIAGE BY VESSEL**

<b>Subpart A—General</b>		
176.1	Purpose and scope. . . . .	3
176.2	Definitions. . . . .	3
176.3	Unacceptable hazardous materials shipments. . . . .	4
176.4	Port security and safety regulations. . . . .	4
176.5	Application to vessels. . . . .	5
176.7	Documentation for vessel personnel. . . . .	5
176.9	“Order-Notify” or “C.O.D.” shipments. . . . .	5
176.11	Exceptions. . . . .	5
176.13	Responsibility for compliance and training. . . . .	6
176.15	Enforcement. . . . .	6
176.18	Assignment and certification. . . . .	6

**PART 176—CARRIAGE BY VESSEL (cont.)**

<b>Sec.</b>	<b>Page</b>
<b>Subpart B—General Operating Requirements</b>	
176.24 Shipping papers. . . . .	6
176.27 Certificate. . . . .	6
176.30 Dangerous cargo manifest. . . . .	7
176.31 Special permit. . . . .	7
176.36 Preservation of records. . . . .	7
176.39 Inspection of cargo. . . . .	8
176.45 Emergency situations. . . . .	8
176.48 Situation requiring report. . . . .	8
176.50 Acceptance of damaged or leaking packages. . . . .	8
176.52 Rejections of shipments in violation. . . . .	8
176.54 Repairs involving welding, burning, and power-actuated tools and appliances. . . . .	9
<b>Subpart C—General Handling and Stowage</b>	
176.57 Supervision of handling and stowage. . . . .	9
176.58 Preparation of the vessel. . . . .	9
176.60 “No Smoking” signs. . . . .	9
176.63 Stowage locations. . . . .	9
176.65 Alternative stowage procedures. . . . .	10
176.69 General stowage requirements for hazardous materials. . . . .	10
176.70 Stowage requirements for marine pollutants. . . . .	10
176.72 Handling of break-bulk hazardous materials. . . . .	10
176.74 On deck stowage of break-bulk hazardous materials. . . . .	11
176.76 Transport vehicles, freight containers, and portable tanks containing hazardous materials. . . . .	11
176.77 Stowage of barges containing hazardous materials on board barge-carrying vessels. . . . .	12
176.78 Use of power-operated industrial trucks on board vessels. . . . .	12
<b>Subpart D—General Segregation Requirements</b>	
176.80 Applicability. . . . .	15
176.83 Segregation. . . . .	15
176.84 Other requirements for stowage and segregation for cargo vessels and passenger vessels. . . . .	23
<b>Subpart E—Special Requirements for Transport Vehicles Loaded With Hazardous Materials and Transported on Board Ferry Vessels</b>	
176.88 Applicability. . . . .	26
176.89 Control of transport vehicles. . . . .	26
176.90 Private automobiles. . . . .	26
176.91 Motorboats. . . . .	26
176.92 Cylinders laden in vehicles. . . . .	26
176.93 Vehicles having refrigerating or heating equipment. . . . .	26
<b>Subpart F—Special Requirements for Barges</b>	
176.95 Applicability. . . . .	27
176.96 Materials of construction. . . . .	27
176.97 Prohibition of dump scows. . . . .	27
176.98 Stowage of hazardous materials on board barges. . . . .	27
176.99 Permit requirements for certain hazardous materials. . . . .	27

**PART 176—CARRIAGE BY VESSEL (cont.)**

<b>Sec.</b>	<b>Page</b>
<b>Subpart G—Detailed Requirements for Class 1 (Explosive) Materials</b>	
176.100	Permit for Divisions 1.1 and 1.2 (explosive) materials. . . . . 27
176.102	Supervisory detail. . . . . 27
176.104	Loading and unloading Class 1 (explosive) materials. . . . . 27
176.108	Supervision of Class 1 (explosive) materials during loading, unloading, handling and stowage. . . . . 28
<b>STOWAGE</b>	
176.112	Applicability. . . . . 28
176.116	General stowage conditions for Class 1 (explosive) materials. . . . . 28
176.118	Electrical requirement. . . . . 29
176.120	Lightning protection. . . . . 30
176.122	[Reserved] . . . . . 30
176.124	[Reserved] . . . . . 30
176.128	Magazine stowage types “A”, “C” and Special Stowage. . . . . 30
176.130	Magazine stowage Type A. . . . . 30
176.132	[Reserved] . . . . . 30
176.133	Magazine stowage Type C. . . . . 30
176.134	Vehicles. . . . . 30
176.136	Special stowage. . . . . 30
176.137	Portable magazine. . . . . 31
176.138	Deck stowage. . . . . 31
<b>SEGREGATION</b>	
176.140	Segregation from other classes of hazardous materials. . . . . 31
176.142	Hazardous materials of extreme flammability. . . . . 31
176.144	Segregation of Class 1 (explosive) materials. . . . . 32
176.145	Segregation in single hold vessels. . . . . 33
176.146	Segregation from non-hazardous materials. . . . . 33
<b>PRECAUTIONS DURING LOADING AND UNLOADING</b>	
176.148	Artificial lighting. . . . . 33
176.150	Radio and radar. . . . . 33
176.154	Fueling (bunkering). . . . . 34
176.156	Defective packages. . . . . 34
176.160	Protection against weather. . . . . 34
176.162	Security. . . . . 34
176.164	Fire precautions and firefighting. . . . . 34
<b>PASSENGER VESSELS</b>	
176.166	Transport of Class 1 (explosive) materials on passenger vessels. . . . . 34
<b>CARGO TRANSPORT UNITS AND SHIPBORNE BARGES</b>	
176.168	Transport of Class 1 (explosive) materials in vehicle spaces. . . . . 35
176.170	Transport of Class 1 (explosive) materials in freight containers. . . . . 35
176.172	Structural serviceability of freight containers and vehicles carrying Class 1 (explosive) materials on ships. . . . . 36
176.174	Transport of Class 1 (explosive) materials in shipborne barges. . . . . 36

**PART 176—CARRIAGE BY VESSEL (cont.)**

<b>Sec.</b>	<b>Page</b>
<b>HANDLING CLASS 1 (EXPLOSIVE) MATERIALS IN PORT</b>	
176.176	Signals. . . . . 36
176.178	Mooring lines. . . . . 37
176.180	Watchkeeping. . . . . 37
176.182	Conditions for handling on board ship. . . . . 37
176.184	Class 1 (explosive) materials of Compatibility Group L. . . . . 37
176.190	Departure of vessel. . . . . 37
176.192	Cargo handling equipment for freight containers carrying Class 1 (explosive) materials. . . . . 37
<b>MAGAZINE VESSELS</b>	
176.194	Stowage of Class 1 (explosive) materials on magazine vessels. . . . . 37
<b>Subpart H—Detailed Requirements for Class 2 (Compressed Gas) Materials</b>	
176.200	General stowage requirements. . . . . 39
176.205	Under deck stowage requirements. . . . . 39
176.210	On deck stowage requirements. . . . . 39
176.220	Smoking or open flame and posting of warning signs. . . . . 39
176.225	Stowage of chlorine. . . . . 40
176.230	Stowage of Division 2.1 (flammable gas) materials. . . . . 40
<b>Subpart I—Detailed Requirements for Class 3 (Flammable) and Combustible Liquid Materials</b>	
176.305	General stowage requirements. . . . . 40
176.315	Fire protection requirements. . . . . 41
176.320	Use of hand flashlights. . . . . 41
176.325	Smoking or open flame and posting of warning signs. . . . . 41
176.340	Combustible liquids in portable tanks. . . . . 41
<b>Subpart J—Detailed Requirements for Class 4 (Flammable Solids), Class 5 (Oxidizers and Organic Peroxides), and Division 1.5 Materials</b>	
176.400	Stowage of Division 1.5, Class 4 (flammable solids) and Class 5 (oxidizers and organic peroxides) materials. . . . . 42
176.405	Stowage of charcoal. . . . . 42
176.410	Division 1.5 materials, ammonium nitrate and ammonium nitrate mixtures. . . . . 42
176.415	Permit requirements for Division 1.5, ammonium nitrates, and certain ammonium nitrate fertilizers. . . . . 43
<b>Subpart K [Reserved]</b>	
<b>Subpart L—Detailed Requirements for Division 2.3 (Poisonous Gas) and Division 6.1 (Poisonous) Materials</b>	
176.600	General stowage requirements. . . . . 44
176.605	Care following leakage or sifting of Division 2.3 (poisonous gas) and Division 6.1 (poisonous) materials. . . . . 44
<b>Subpart M—Detailed Requirements for Radioactive Materials</b>	
176.700	General stowage requirements. . . . . 44
176.704	Requirements relating to transport indices and criticality safety indices. . . . . 44
176.708	Segregation distances. . . . . 46
176.710	Care following leakage or sifting of radioactive materials. . . . . 48
176.715	Contamination control. . . . . 48
176.720	Requirements for carriage of INF cargo in international transportation. . . . . 48

**PART 176—CARRIAGE BY VESSEL (cont.)**

Sec.	Page
<b>Subpart N—Detailed Requirements for Class 8 (Corrosive Materials) Materials</b>	
176.800	General stowage requirements. . . . . 48
176.805	On deck stowage. . . . . 48
<b>Subpart O—Detailed Requirements for Cotton and Vegetable Fibers, Motor Vehicles, and Asbestos</b>	
176.900	Packaging and stowage of cotton and vegetable fibers; general. . . . . 48
176.901	Stowage of cotton or vegetable fibers with rosin or pitch. . . . . 49
176.903	Stowage of cotton or vegetable fibers with coal. . . . . 49
176.905	Motor vehicles or mechanical equipment powered by internal combustion engines. . . 50

**PART 177—CARRIAGE BY PUBLIC HIGHWAY**

<b>Subpart A—General Information and Regulations</b>	
177.800	Purpose and scope of this part and responsibility for compliance and training. . . . . 1
177.801	Unacceptable hazardous materials shipments. . . . . 1
177.802	Inspection. . . . . 1
177.804	Compliance with Federal Motor Carrier Safety Regulations. . . . . 1
177.810	Vehicular tunnels. . . . . 1
177.816	Driver training. . . . . 2
177.817	Shipping papers. . . . . 2
177.823	Movement of motor vehicles in emergency situations. . . . . 3
<b>Subpart B—Loading and Unloading</b>	
177.834	General requirements. . . . . 3
177.835	Class 1 materials. . . . . 5
177.837	Class 3 materials. . . . . 7
177.838	Class 4 (flammable solid) materials, Class 5 (oxidizing) materials, and Division 4.2 (pyroforic liquid) materials. . . . . 8
177.839	Class 8 (corrosive) materials. . . . . 8
177.840	Class 2 (gases) materials. . . . . 8
177.841	Division 6.1 and Division 2.3 materials. . . . . 11
177.842	Class 7 (radioactive) material. . . . . 12
177.843	Contamination of vehicles. . . . . 13
<b>Subpart C—Segregation and Separation Chart of Hazardous Materials</b>	
177.848	Segregation of hazardous materials. . . . . 13
<b>Subpart D—Vehicles and Shipments in Transit; Accidents</b>	
177.854	Disabled vehicles and broken or leaking packages; repairs. . . . . 16
<b>Subpart E—Regulations Applying to Hazardous Material on Motor Vehicles Carrying Passengers for Hire</b>	
177.870	Regulations for passenger carrying vehicles. . . . . 17

**PART 178—SPECIFICATIONS FOR PACKAGINGS**

178.1	Purpose and scope. . . . . 4
178.2	Applicability and responsibility. . . . . 4
178.3	Marking of packagings. . . . . 4

**Subpart A—[Reserved]**

**PART 178—SPECIFICATIONS FOR PACKAGINGS (cont.)**

Sec.		Page
<b>Subpart B—Specifications for Inside Containers, and Linings</b>		
178.33	Specification 2P; inner nonrefillable metal receptacles. . . . .	5
178.33-1	Compliance. . . . .	5
178.33-2	Type and size. . . . .	5
178.33-3	Inspection. . . . .	5
178.33-4	Duties of inspector. . . . .	5
178.33-5	Material. . . . .	5
178.33-6	Manufacture. . . . .	5
178.33-7	Wall thickness. . . . .	6
178.33-8	Tests. . . . .	6
178.33-9	Marking. . . . .	6
178.33a	Specification 2Q; inner nonrefillable metal receptacles. . . . .	6
178.33a-1	Compliance. . . . .	6
178.33a-2	Type and size. . . . .	6
178.33a-3	Inspection. . . . .	6
178.33a-4	Duties of inspector. . . . .	6
178.33a-5	Material. . . . .	6
178.33a-6	Manufacture. . . . .	6
178.33a-7	Wall thickness. . . . .	6
178.33a-8	Tests. . . . .	6
178.33a-9	Marking. . . . .	6
178.33b	Specification 2S; inner nonrefillable plastic receptacles [Reserved] . . . . .	7
178.33b-1	Compliance . . . . .	7
178.33b-2	Type and size . . . . .	7
178.33b-3	Inspection . . . . .	7
178.33b-4	Duties of inspector . . . . .	7
178.33b-5	Material . . . . .	7
178.33b-6	Manufacture . . . . .	7
178.33b-7	Design Qualification Test . . . . .	7
178.33b-8	Production Tests . . . . .	7
178.33b-9	Marking . . . . .	7
<b>Subpart C—Specifications for Cylinders</b>		
178.35	General requirements for specification cylinders. . . . .	7
178.36	Specification 3A and 3AX seamless steel cylinders. . . . .	9
178.37	Specification 3AA and 3AAX seamless steel cylinders. . . . .	11
178.38	Specification 3B seamless steel cylinders. . . . .	15
178.39	Specification 3BN seamless nickel cylinders. . . . .	17
178.42	Specification 3E seamless steel cylinders. . . . .	18
178.44	Specification 3HT seamless steel cylinders for aircraft use. . . . .	19
178.45	Specification 3T seamless steel cylinders. . . . .	22
178.46	Specification 3AL seamless aluminum cylinders. . . . .	25
178.47	Specification 4DS welded stainless steel cylinders for aircraft use. . . . .	29
178.50	Specification 4B welded or brazed steel cylinders. . . . .	31
178.51	Specification 4BA welded or brazed steel cylinders. . . . .	33
178.53	Specification 4D welded steel cylinders for aircraft use. . . . .	36
178.55	Specification 4B240ET welded or brazed cylinders. . . . .	39
178.56	Specification 4AA480 welded steel cylinders. . . . .	41

**PART 178—SPECIFICATIONS FOR PACKAGINGS (cont.)**

<b>Sec.</b>		<b>Page</b>
178.57	Specification 4L welded insulated cylinders. . . . .	43
178.58	Specification 4DA welded steel cylinders for aircraft use. . . . .	48
178.59	Specification 8 steel cylinders with porous fillings for acetylene. . . . .	50
178.60	Specification 8AL steel cylinders with porous fillings for acetylene. . . . .	52
178.61	Specification 4BW welded steel cylinders with electric-arc welded longitudinal seam. . . . .	55
178.65	Specification 39 non-reusable (non-refillable) cylinders. . . . .	58
178.68	Specification 4E welded aluminum cylinders. . . . .	60
178.69	Responsibilities and requirements for manufacturers of UN pressure receptacles. . . . .	62
178.70	Approval of UN pressure receptacles. . . . .	63
178.71	Specifications for UN pressure receptacles. . . . .	65
178.74	Approval of MEGCs. . . . .	69
178.75	Specifications for MEGCs. . . . .	71
	Appendix A to Subpart C of Part 178—Illustrations: Cylinder Tensile Sample . . . . .	74

**Subparts D-G—[Reserved]**

**Subpart H—Specifications for Portable Tanks**

178.251—178.253–5	[Reserved] . . . . .	79
178.255	Specification 60; steel portable tanks. . . . .	79
178.255–1	General requirements. . . . .	79
178.255–2	Material. . . . .	80
178.255–3	Expansion domes. . . . .	80
178.255–4	Closures for manholes and domes. . . . .	80
178.255–5	Bottom discharge outlets. . . . .	80
178.255–6	Loading and unloading accessories. . . . .	80
178.255–7	Protection of valves and accessories. . . . .	80
178.255–8	Safety devices. . . . .	80
178.255–9	Compartments. . . . .	80
178.255–10	Lining. . . . .	80
178.255–11	Tank mountings. . . . .	80
178.255–12	Pressure test. . . . .	81
178.255–13	Repair of tanks. . . . .	81
178.255–14	Marking. . . . .	81
178.255–15	Report. . . . .	81
178.273	Approval of Specification IM portable tanks and UN portable tanks. . . . .	81
178.274	Specification for UN portable tanks. . . . .	83
178.275	Specification for UN Portable Tanks intended for the transportation of liquid and solid hazardous materials. . . . .	90
178.276	Requirements for the design, construction, inspection and testing of portable tanks intended for the transportation of non-refrigerated liquefied compressed gases. . . . .	94
178.277	Requirements for the design, construction, inspection and testing of portable tanks intended for the transportation of refrigerated liquefied gases. . . . .	95

**Subpart I—[Reserved]**

**Subpart J—Specifications for Containers for Motor Vehicle Transportation**

178.318	Specification MC 201; container for detonators and percussion caps. . . . .	99
178.318–1	Scope. . . . .	99
178.318–2	Container. . . . .	99

**PART 178—SPECIFICATIONS FOR PACKAGINGS (cont.)**

<b>Sec.</b>	<b>Page</b>
178.318-3 Marking. . . . .	100
178.320 General requirements applicable to all DOT specification cargo tank motor vehicles. . . . .	100
178.337 Specification MC 331; cargo tank motor vehicle primarily for transportation of compressed gases as defined in subpart G of part 173 of this subchapter. . . . .	102
178.337-1 General requirements. . . . .	102
178.337-2 Material. . . . .	103
178.337-3 Structural integrity. . . . .	104
178.337-4 Joints. . . . .	107
178.337-5 Bulkheads, baffles and ring stiffeners. . . . .	108
178.337-6 Closure for manhole. . . . .	108
178.337-7 Overturn protection. . . . .	108
178.337-8 Openings, inlets and outlets. . . . .	108
178.337-9 Pressure relief devices, piping, valves, hoses, and fittings. . . . .	109
178.337-10 Accident damage protection. . . . .	110
178.337-11 Emergency discharge control. . . . .	110
178.337-12 [Reserved] . . . . .	111
178.337-13 Supporting and anchoring. . . . .	111
178.337-14 Gauging devices. . . . .	111
178.337-15 Pumps and compressors. . . . .	111
178.337-16 Testing. . . . .	111
178.337-17 Marking. . . . .	111
178.337-18 Certification. . . . .	112
178.338 Specification MC-338; insulated cargo tank motor vehicle. . . . .	113
178.338-1 General requirements. . . . .	113
178.338-2 Material. . . . .	114
178.338-3 Structural integrity. . . . .	114
178.338-4 Joints. . . . .	116
178.338-5 Stiffening rings. . . . .	116
178.338-6 Manholes. . . . .	116
178.338-7 Openings. . . . .	116
178.338-8 Pressure relief devices, piping, valves, and fittings. . . . .	116
178.338-9 Holding time. . . . .	117
178.338-10 Accident damage protection. . . . .	118
178.338-11 Discharge control devices. . . . .	118
178.338-12 Shear section. . . . .	119
178.338-13 Supporting and anchoring. . . . .	119
178.338-14 Gauging devices. . . . .	119
178.338-15 Cleanliness. . . . .	120
178.338-16 Inspection and testing. . . . .	120
178.338-17 Pumps and compressors. . . . .	120
178.338-18 Marking. . . . .	120
178.338-19 Certification. . . . .	121
178.340-178.343 [Reserved] . . . . .	122
178.345 General design and construction requirements applicable to Specification DOT 406 (§ 178.346), DOT 407 (§ 178.347), and DOT 412 (§ 178.348) cargo tank motor vehicles. . . . .	122
178.345-1 General requirements. . . . .	122
178.345-2 Material and material thickness. . . . .	124

**PART 178—SPECIFICATIONS FOR PACKAGINGS (cont.)**

<b>Sec.</b>	<b>Page</b>
178.345-3 Structural integrity. . . . .	125
178.345-4 Joints. . . . .	128
178.345-5 Manhole assemblies. . . . .	128
178.345-6 Supports and anchoring. . . . .	128
178.345-7 Circumferential reinforcements. . . . .	128
178.345-8 Accident damage protection. . . . .	129
178.345-9 Pumps, piping, hoses and connections. . . . .	131
178.345-10 Pressure relief. . . . .	131
178.345-11 Tank outlets. . . . .	133
178.345-12 Gauging devices. . . . .	134
178.345-13 Pressure and leakage tests. . . . .	134
178.345-14 Marking. . . . .	135
178.345-15 Certification. . . . .	136
178.346 Specification DOT 406; cargo tank motor vehicle. . . . .	137
178.346-1 General requirements. . . . .	137
178.346-2 Material and thickness of material. . . . .	137
178.346-3 Pressure relief. . . . .	138
178.346-4 Outlets. . . . .	138
178.346-5 Pressure and leakage tests. . . . .	138
178.347 Specification DOT 407; cargo tank motor vehicle. . . . .	139
178.347-1 General requirements. . . . .	139
178.347-2 Material and thickness of material. . . . .	139
178.347-3 Manhole assemblies. . . . .	140
178.347-4 Pressure relief. . . . .	140
178.347-5 Pressure and leakage test. . . . .	140
178.348 Specification DOT 412; cargo tank motor vehicle. . . . .	140
178.348-1 General requirements. . . . .	140
178.348-2 Material and thickness of material. . . . .	142
178.348-3 Pumps, piping, hoses and connections. . . . .	143
178.348-4 Pressure relief. . . . .	143
178.348-5 Pressure and leakage test. . . . .	143
<b>Subpart K—Specifications for Packagings for Class 7 (Radioactive) Materials</b>	
178.350 Specification 7A; general packaging, Type A. . . . .	143
178.356 Specification 20PF phenolic-foam insulated, metal overpack. . . . .	143
178.356-1 General requirements. . . . .	143
178.356-2 Materials of construction and other requirements. . . . .	144
178.356-3 Tests. . . . .	144
178.356-4 Required markings. . . . .	144
178.356-5 Typical assembly detail. . . . .	145
178.358 Specification 21PF fire and shock resistant, phenolic-foam insulated, metal overpack. . . . .	147
178.358-1 General requirements. . . . .	147
178.358-2 Materials of construction and other requirements. . . . .	148
178.358-3 Modification of Specification 21PF-1 overpacks. . . . .	148
178.358-4 Construction of Specification 21PF-1B overpacks. . . . .	149
178.358-5 Required markings. . . . .	149
178.358-6 Typical assembly detail. . . . .	150

179.20 Service equipment; protection systems. . . . .	8
179.22 Marking. . . . .	8
<b>Subpart C—Specifications for Pressure Tank Car Tanks (Classes DOT-105, 109, 112, 114, and 120)</b>	
179.100 General specifications applicable to pressure tank car tanks. . . . .	8
179.100-1 Tanks built under these specifications shall comply with the requirements of §§ 179.100, 179.101 and when applicable, §§ 179.102 and 179.103. . . . .	8
179.100-3 Type. . . . .	8
179.100-4 Insulation. . . . .	8
179.100-6 Thickness of plates. . . . .	9
179.100-7 Materials. . . . .	9
179.100-8 Tank heads. . . . .	10
179.100-9 Welding. . . . .	10
179.100-10 Postweld heat treatment. . . . .	10
179.100-12 Manway nozzle, cover and protective housing. . . . .	10
179.100-13 Venting, loading and unloading valves, measuring and sampling devices. . . . .	10
179.100-14 Bottom outlets. . . . .	11
179.100-16 Attachments. . . . .	11
179.100-17 Closures for openings. . . . .	11
179.100-18 Tests of tanks. . . . .	11
179.100-19 Tests of safety relief valves. . . . .	12
179.100-20 Stamping. . . . .	12
179.101 Individual specification requirements applicable to pressure tank car tanks. . . . .	12
179.101-1 Individual specification requirements. . . . .	12
179.102 Special commodity requirements for pressure tank car tanks. . . . .	13
179.102-1 Carbon dioxide, refrigerated liquid. . . . .	13
179.102-2 Chlorine. . . . .	13
179.102-3 Materials poisonous by inhalation . . . . .	13
179.102-4 Vinyl fluoride, stabilized . . . . .	13
179.102-17 Hydrogen chloride, refrigerated liquid. . . . .	13
179.103 Special requirements for class 114A * * * tank car tanks. . . . .	15
179.103-1 Type. . . . .	15
179.103-2 Manway cover. . . . .	15
179.103-3 Venting, loading and unloading valves, measuring and sampling devices. . . . .	15
179.103-4 Safety relief devices and pressure regulators. . . . .	15
179.103-5 Bottom outlets. . . . .	15
<b>Subpart D—Specifications for Nonpressure Tank Car Tanks (Classes DOT-111AW and 115AW)</b>	
179.200 General specifications applicable to non-pressure tank car tanks (Class DOT 111). . .	16
179.200-1 Tank built under these specifications must meet the requirements of §§ 179.200, and 179.201. . . . .	16
179.200-3 Type. . . . .	16
179.200-4 Insulation. . . . .	16
179.200-6 Thickness of plates. . . . .	16
179.200-7 Materials. . . . .	17
179.200-8 Tank heads. . . . .	18
179.200-9 Compartment tanks. . . . .	18
179.200-10 Welding. . . . .	19
179.200-11 Postweld heat treatment. . . . .	19

179.200–13 Manway ring or flange, pressure relief device flange, bottom outlet nozzle flange, bottom washout nozzle flange and other attachments and openings. . . . .	19
179.200–14 Expansion capacity. . . . .	19
179.200–15 Closures for manways. . . . .	19
179.200–16 Gauging devices, top loading and unloading devices, venting and air inlet devices. . .	20
179.200–17 Bottom outlets. . . . .	20
179.200–19 Reinforcements, when used, and appurtenances not otherwise specified. . . . .	22
179.200–21 Closures for openings. . . . .	22
179.200–22 Test of tanks. . . . .	22
179.200–23 Tests of pressure relief valves. . . . .	22
179.200–24 Stamping. . . . .	22
179.201 Individual specification requirements applicable to non-pressure tank car tanks. . .	22
179.201–1 Individual specification requirements. . . . .	22
179.201–2 [Reserved] . . . . .	23
179.201–3 Lined tanks. . . . .	23
179.201–4 Material. . . . .	23
179.201–5 Postweld heat treatment and corrosion resistance. . . . .	24
179.201–6 Manways and manway closures. . . . .	24
179.201–8 Sampling device and thermometer well. . . . .	24
179.201–9 Gauging device. . . . .	24
179.201–10 Water capacity marking. . . . .	24
179.201–11 Insulation. . . . .	24
179.202—179.202–22 [Reserved] . . . . .	24
179.220 General specifications applicable to nonpressure tank car tanks consisting of an inner container supported within an outer shell (class DOT–115). . . . .	24
179.220–1 Tanks built under these specifications must meet the requirements of §§ 179.220 and 179.221. . . . .	24
179.220–3 Type. . . . .	25
179.220–4 Insulation. . . . .	25
179.220–6 Thickness of plates. . . . .	25
179.220–7 Materials. . . . .	25
179.220–8 Tank heads. . . . .	26
179.220–9 Compartment tanks. . . . .	26
179.220–10 Welding. . . . .	26
179.220–11 Postweld heat treatment. . . . .	26
179.220–13 Inner container manway nozzle and cover. . . . .	27
179.220–14 Openings in the tanks. . . . .	27
179.220–15 Support system for inner container. . . . .	27
179.220–16 Expansion capacity. . . . .	27
179.220–17 Gauging devices, top loading and unloading devices, venting and air inlet devices. . .	27
179.220–18 Bottom outlets. . . . .	28
179.220–20 Reinforcements, when used, and appurtenances not otherwise specified. . . . .	29
179.220–22 Closure for openings. . . . .	29
179.220–23 Test of tanks. . . . .	29
179.220–24 Tests of pressure relief valves. . . . .	29
179.220–25 Stamping. . . . .	29
179.220–26 Stenciling. . . . .	29
179.221 Individual specification requirements applicable to tank car tanks consisting of an inner container supported within an outer shell. . . . .	29
179.221–1 Individual specification requirements. . . . .	29
